

# Camping Master: Documentazione Completa

## Introduzione

Camping Master è un'applicazione dedicata a fornire supporto agli utenti appassionati di campeggio, desiderosi di trovare campeggi in tutto il mondo, tutto in un'unica piattaforma, tutto con pochi click. §

Grazie a Camping Master, l'utente sarà assistito durante la ricerca del campeggio perfetto per lui, con un'interfaccia semplice, ricerca approfondita, mappa dei dintorni del campeggio e consigli di località fantastiche per il campeggio generati da Gemini AI.

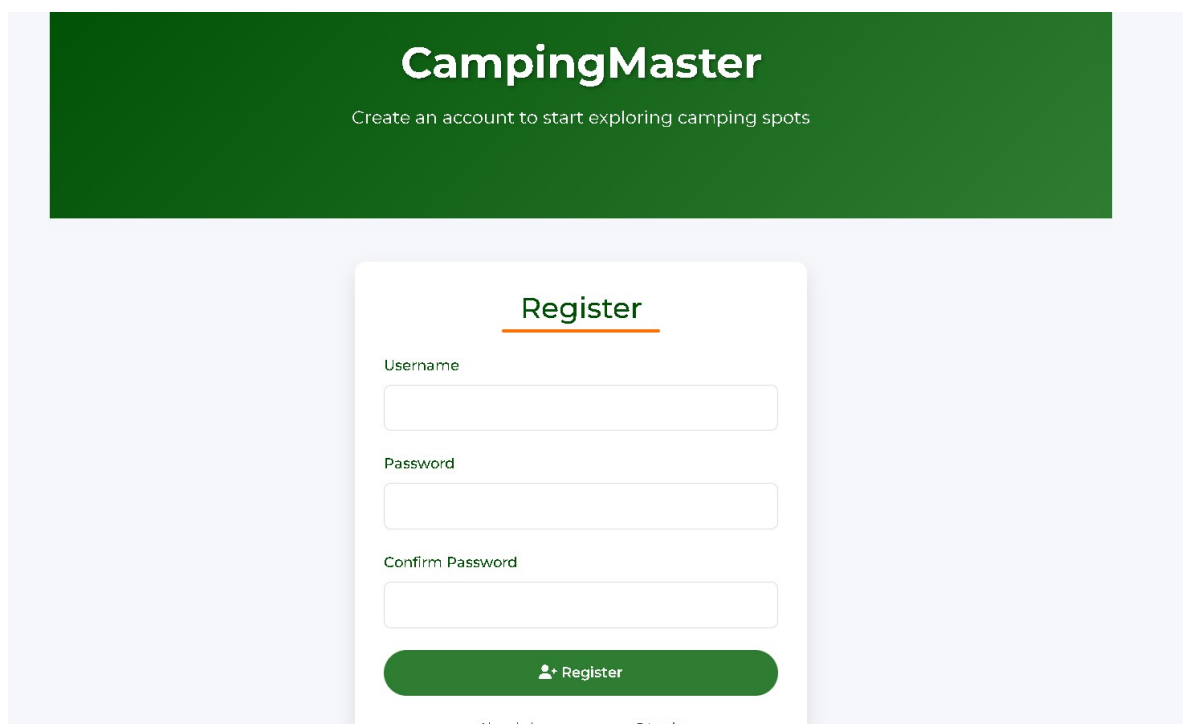

## Tecnologie

Qui sotto vi è una lista delle tecnologie utilizzate per la realizzazione di questa applicazione:

- Linguaggio C#
- Linguaggio HTML
- Linguaggio Javascript
- Linguaggio CSS
- Libreria ASP .NET Identity
- Framework ASP .NET
- Database SqlLite
- API Campflare

## Funzionalità

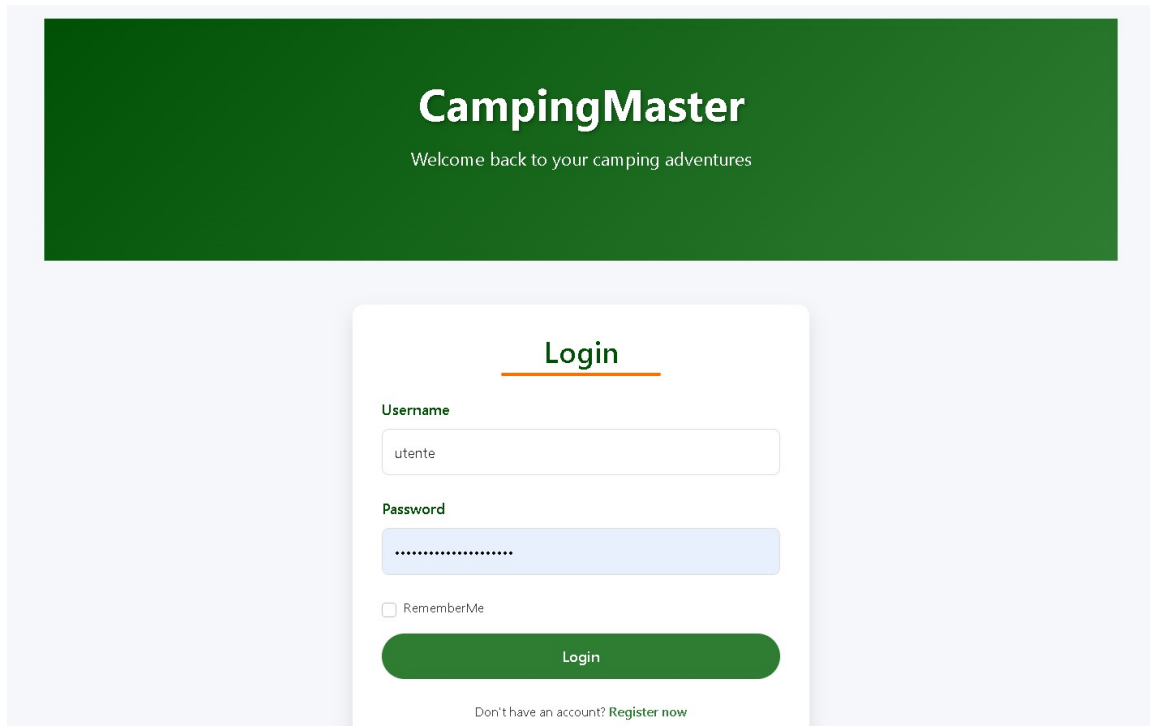

- Registrazione  
Questa funzionalità base di Camping Master permette di registrarsi sulla piattaforma, così da essere abilitati alla prenotazione di un posto per il campeggio scelto.

The screenshot displays the 'CampingMaster' registration interface. At the top, a dark green banner features the 'CampingMaster' logo in white, with the text 'Create an account to start exploring camping spots' below it. The main registration form is a white card with a light green border. It has a title 'Register' in green, underlined with a green line. The form contains three input fields: 'Username', 'Password', and 'Confirm Password', each with a light green border. Below these fields is a green button with a white user icon and the text 'Register'. At the bottom of the card, there is a link that says 'Already have an account? Login'.

- Login

La funzionalità di accesso permette all'utente di usare le credenziali da lui scelte (nome utente e password) per accedere al servizio di prenotazione, con anche l'opzione "Remember Me", che permette di salvare in sessione l'utente, in modo da effettuare l'accesso automatico una volta rientrato nella piattaforma.

The image shows a login form for CampingMaster. At the top, a green banner contains the text "CampingMaster" and "Welcome back to your camping adventures". Below this, a white card with a green border contains the "Login" title. The form includes a "Username" field with the text "utente", a "Password" field with masked characters, a "RememberMe" checkbox, and a green "Login" button. At the bottom of the card, it says "Don't have an account? Register now".

- Home Page

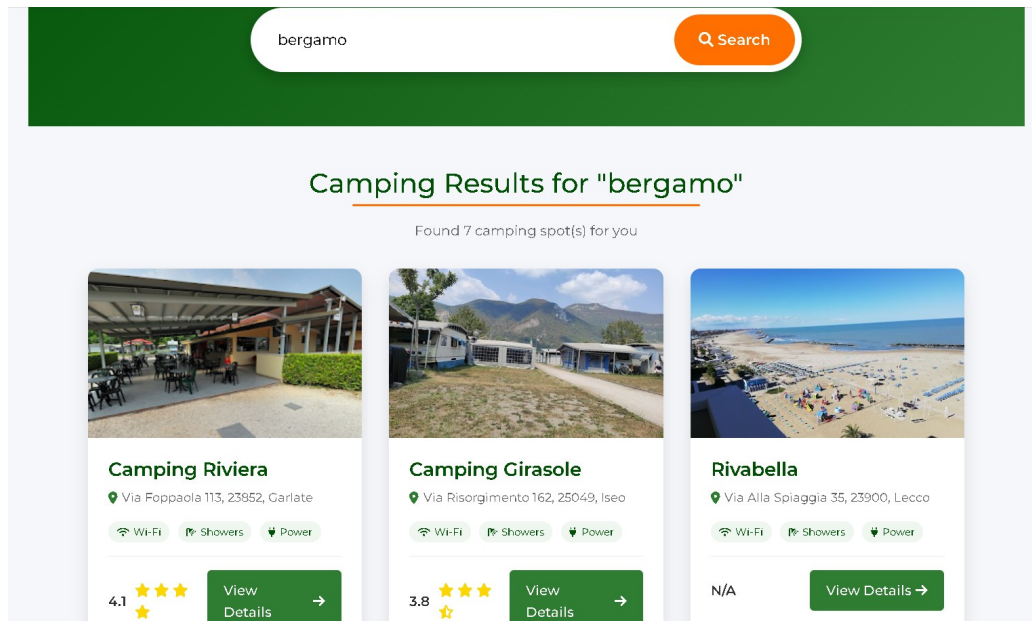

La home page permette all'utente di cercare i campeggi in una località a scelta, in qualsiasi luogo del mondo, e creare delle prenotazioni per i campeggi proposti per quella località. Inoltre, è presente un pulsante per effettuare il login/logout, e una scheda con le informazioni dell'utente, con un link per la pagina del profilo.

The image shows the home page of CampingMaster. At the top, a green banner contains the text "Find Your Perfect Camping Spot" and "Discover top-rated camping locations with all the amenities you need". Below this, a search bar with the placeholder text "Search camping locations (e.g., Lago di Garda, mo)" and a green "Search" button is visible. In the top right corner, there is a "Login" button and a user profile dropdown menu. The dropdown menu shows a "Guest User" profile with the text "Please login for full access" and a "Login" button. Below the search bar, a white card contains the text "Welcome to CampingMaster!" and "Enter a location or keyword in the search bar above to find your perfect camping spot." At the bottom of the card, it says "Try searching for:" followed by three tags: "Beach camping", "National Parks", and "Pet-friendly".

- Results Page

Once searched for a location, the system will list you all the camings in that location, with they basic information, like the name, the address and the ratings. Clicking “View Details”, you will be redirected to th details page of that camping.

- Details Page

This page will show the details of the chosen camping. There are the name, the coordinates, the reviews, the rating, an interactive map, contact informations (phone number, email, address and camping site), and a button to book that camping
